

SPACE LIST / ORDER FORM

This will aid us in your Noble Home design. Please be as thorough as possible. We welcome any of your own sketches / ideas for floor plans to help us understand your spatial needs. Any plot plans or site pictures are also helpful.

Please send to the address at the bottom of this page or email to info@Noble-Home.net. Thank you.

BUILDING LOT

Site Location / Address _____

If the building lot is significantly sloped, we may require a topographical survey by a land surveyor in the vicinity of the proposed house site.

Please check all general site features that apply, and in what compass direction they are relative to the proposed house site. Sketch on plot plan if possible.

	N	S	E	W		N	S	E	W
Winter Solar Exposure					Flat Land				
Neighbor houses/buildings					Sloped Land				
Desired distant Views					Wooded				
					Open Land				

Special Characteristics _____

HOUSE FEATURES – Check all that are important to you.

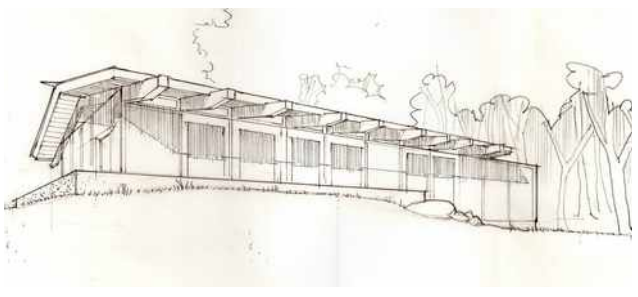

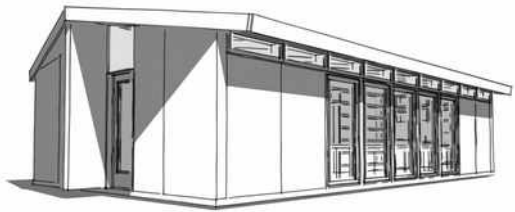

Modern Design		Low Maintenance		Non-Toxic		Low Cost		Ease of Construction
